RACE COURSE

The race course has a length of 17,300 km with an average gradient of 8.88% and a vertical drop of mt. 1350, starting from Montevideo and arriving in Vason, on the S.P. 85 "Del Monte Bondone". All the safety devices have been prepared along the route, according to the Inspection Report of the S / C Circuits and Safety (81 piles of tires, 58 strawbales, 45 concrete new jersey, 35 meters of plastic new jersey, 10 barriers, 17 rectangular bales, 100 meters of catch fences)

ROUTE CONTROL STATIONS

There are 68 posts along the course, in addition to Queuing, Departure, Deceleration and Park Fermé. In total there will be about 200 routinely licensed Marshalls, belonging to the AACCs of Triveneto, Lombardia, Emilia Romagna. All the posts will be equipped with a set of flags (2 yellow flags, 1 yellow / red, 1 green, 1 blue, 1 white and 1 red only at the Post Chief), filler, broom and fire extinguishers.

EMERGENCY AND FIRE FIGHTING VEHICLES ON THE COURSE

There will be 7 ambulances, all equipped for resuscitation, with the entire equipment and with on board a doctor expert in resuscitation maneuvers, located at the Departure (nr. 2), at posts 15 - 22 - 41 - 57 and in the Park Fermé. There are also 3 extrication teams located at Departure, post 33 and post 50. At the start, a car will also be parked at the disposal of the Race Medical Chief in case of quick interventions. There is a suitable area for the helicopter ambulance landing near the arrival. The medical service will be coordinated by the Race Medical Chief Dr. MONTRESOR Giancarlo. The hospitals of Trento, Verona, Padua, Bolzano and the Trentino Emergency 112 helicopter rescue were alerted. 11 tow trucks will be located along the course (Departure, Posts 15 - 22 - 31 - 41 - 50 - 57 - Park Fermé + two in reserve) The fire-fighting service will be provided by the Trentino Volunteer Fire-fighters, present with their vehicles at the posts: Departure - 10 - 15 - 18 - 26 - 29 - 37 - 41 - 45 - 50 - 53 - 61 - 68 – Park Fermé. In addition, they will provide the extraction service at the posts: 6 - 22 - 33 - 47 - 57 RADIO CONNECTIONS WITH THE COMPETITION SECRETARIAT

RADIO CONNECTIONS WITH THE COMPETITION SECRETARIAT

Each posts will be equipped with a radio to ensure total coverage of the course and constant connection with the Competition Secretariat.

NOTICE BOARD

According to the Health Protocol, an online Notice Board is provided on the Scuderia Trentina website (scuderiatrentina.it). There will also be a "physical" notice board at the Competition Secretaria, in Piazzale Zuffo (paddock) and at the Park Fermé for the display of times and official rankings.

TIMING SERVICE

The Timing Service and the compilation of the rankings will be handled by the FICR and CHRONOMOTO for the European Championship.
