DECISION No. 4

Document No: 2.8

FROM: THE STEWARDS

TO: Competitor Franck BELLIERES, Car No 9

Number of pages	1	Attachment(s)	---

The Stewards, having received the report from the FIA TD (Annex 2) and having examined the situation, have issued a decision, determined the following:

**Driver and car No:** Franck BELLIERES, Car No 9

**Competitor:** Franck Bellieres

**Time (fact):** 16:20

**Session:** Scrutineering after Practice 2

**Fact:** The ride height of the car after Practice 2 results lower than the minimum value of 45 mm.

**Offence:** Breach of Article 3.5 of Appendix 8 to the FIA EHC Sporting Regulations – Category 2.

**Decision:** Cancellation of Official Practice 2 results in compliance with Art. 21 to the FIA EHC Sporting Regulations – Category 2 & Art. 12.4.1.e of the FIA ISC.

**Reason:** The ride height of the car 9 was checked as it arrived at the finish line, with the driver onboard, with and without additional masses (as prescribed in the regulation), using a 45 mm roller. The roller, in both the cases, cannot pass under the car at different points, therefore the height of the car from the ground is less than 45 mm. Therefore, the car does not comply with the regulations.  
The minimum ride height established by the regulations must be always respected during the event, otherwise the car loses its conformity.

The Competitor is reminded that he has the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
